

RICHARD G. SNYDER YMCA CAMPUS

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Good Afternoon! We have some very exciting news for our members! We have been working hard to make sure that we give our members the best quality experience possible at the RGS YMCA. Part of this experience is consistently providing well maintained equipment. An executive decision was made several months ago to purchase new cardio equipment. After carefully looking at utilization and required maintenance, we have decided to keep our Selectorized Strength Equipment, but will be receiving 15 new pieces of Cardio equipment and one new Selectorized Strength Machine.

As you can see, this is very exciting news, but we will need your cooperation. On Monday, September 18, we will be receiving the first shipment of 4 pieces. The entire facility will remain open; however, we need you to be aware that the installation crew will be utilizing some space to install and move out old equipment. This space will include, but will not be limited to the Wellness Center and both stairwells. While we don't have a specific timeframe, it should happen in the early afternoon hours. Please be aware of this and plan your workout around the scheduled updates.

As mentioned above, there will be a second shipment and installation of equipment on Thursday, September 21. We **WILL** need to close the Wellness Center for this due to the large amount of equipment being installed. On September 21, we will close the Wellness Center from 10 AM-6 PM for the installation. Please be advised that the facility will remain open (Annex, Gymnasium, Circuit Room, Group Exercise, Studio, and Natatorium) for use.

Dates to remember and Key Info:

- 4 Arc Trainers arriving **9/18/17- Wellness Center will remain OPEN**
- 12 Pieces (11 Cardio; 1 Selectorized Strength) arriving **9/21/17- WELLNESS CENTER CLOSED 10-6**

We appreciate your cooperation with this matter. Our team is excited to be adding more value to your membership by upgrading equipment. Thank you and have a great day!
