LET'S STAY HEALTHY TOGETHER

Welcome to the Richard G Snyder YMCA Child Watch

To ensure the health and safety of all in our care, we have a few procedures in place for you and your child!

What the Y is Doing . . .

- Every child will undergo a health check upon entering the building. If your child has a temperature above 100 degrees, they won't be able to attend child watch. Please do not return until the child has been fever-free for 72 hours.
- Your child will sanitize their hands upon entry to the child watch room.
- Face masks are optional for children. Face masks are not recommended for children under 2 per the CDC.
- Staff are required to wear face masks. Staff will also wear gloves when appropriate.
- Capacity will be limited to 8 children at any given time.
- You will be required to make a reservation for your child/children. Reservations can be made at <https://rgsymca.simplybook.me/v2/> or at the Welcome Center. Reservations will be limited to no more than 1 1/2 hours per child, per day.
- Parent's who no show for a reservation will not be allowed to sign up again for one week.
- Reservations may be canceled with no penalization.
- Children will be permitted to bring a drink but no food.
- No other outside items may be brought into child watch.
- To minimize contact, parents are asked to stay in the child watch check in area. Staff will open the door and allow the children to exit to the parents.

Questions?

Contact Bethany, Director of Membership & Marketing at briggles@rgsymca.org or 724-545-9622 Ext. 109
