 - **Early drop off/Late pick up is a \$25 weekly fee.** If you drop your kid off early or pick them up late, you will have a charge added on to your account that will need to be paid before they can register for the next week.
 - There will be a late fee if your child is left at Camp after 5:30 PM

We encourage you to check in with our counselors so that any information or concerns can be addressed.

RELEASE OF A CHILD

No child will be released to anyone other than parent, guardian or those named on the child's release form, unless we have written permission from the parent whose signature appears on the child release form. A photo I.D. will be required of any person who is unfamiliar to the staff. Children will not be released from our care to another child.

- If there is a custody agreement with the court, a copy of the legal document must be on file at the Y.

DISCIPLINE POLICY

Campers are expected to exhibit caring, honesty, respect and responsibility in every aspect of their day. With these character traits in mind all campers are responsible for the following expectations:

- Respect the rights and feelings of others and avoid disruptive behavior that would interfere with program activities.
- Aggressive behaviors such as hitting, kicking, biting, tripping, spitting, verbal put downs and bullying are not acceptable.
- Follow all directions given by the staff regarding safety procedures and stay with the group for all scheduled activities.
- We expect the child to respect the private property of others.

DISCIPLINE PHILOSOPHY

Our goal is for children to develop a positive self-image. Children will be encouraged to make good choices that prevent them from harming themselves and/or others. This can be accomplished through close supervision, gentle guidance, and redirection.

Children who have conflicts or problems while in our program will be encouraged to verbalize their feelings and concerns. The role of the adult is to be a helper with positive conflict resolution. Our staff members guide rather than punish.

For severe behavior problems, we will call home to the parents. In any case your child has a severe behavior problem, the child will not participate in an activity and the parents/guardians will receive a phone call regarding this behavior. After three severe incidents, "3 strikes", your child will be suspended or removed from day camp.

WHAT TO WEAR

It is important that your camper be dressed appropriately for any weather. **NO Sandals.** We require that each child wear closed-toed shoes. Be sure to mark your camper's clothes in the label area, with their entire name, not just their initials. This will simplify the camp counselor's job tremendously and helps ensure lost & found items are returned to the appropriate person.

- Tennis shoes, socks, and weather appropriate clothing
- Swimsuit and towel (Bring everyday)
- **SUNSCREEN**

SUNSCREEN

Please send your child to the Y Day Camp with sunscreen already applied. Not only does this ensure that your child's skin will be protected by the UV rays, it also decreases the transition time between activities, which leaves your child with more time for those activities. Please keep sunscreen in your child's bag for them to reapply during prolonged outside activity.

Note: Y Camp Staff are not responsible for lost or stolen money, clothing and/or equipment. A backpack to carry essentials is recommended. Also, we only allow the campers to utilize the Y provided equipment.

LUNCH AND SNACKS

Thanks to Armstrong School District and The Summer Food Program, The Y will provide lunch and a snack for the campers at no cost. If anything changes, we will notify all parents.

SAFETY POLICY

The following safety guidelines shall be administered during the program operation:

1. No child will ever be left alone or unsupervised.
2. Each parent, or person authorized by the parent to pick up the child, must indicate to the staff member in charge of the child that the child is leaving for the day. The child must be signed out before exiting the Program area.
3. A daily attendance record will be kept on each child
4. A telephone is located at the front desk, aquatics office, and multipurpose room for emergencies.
5. First Aid Kits and AEDs are in the aquatic's office and at the front desk and in the concession stand.
6. An incident report will be completed when an accident or injury occurs
7. In case of emergencies, a staff person will always remain with the child involved. We will determine the type and extent of emergency. We will apply first aid if necessary and check child's file for needed information. Then we will call parent/contact person if necessary. If contact cannot be made, administrator or designated staff will determine if EMS should be called.
8. Water Safety: A certified lifeguard is always present when the children are swimming. Every Camper will be swim tested before they enter the pool!
9. **The staff will give NO medication to a child.**

All medications must be in the original prescription bottle with the appropriate labels attached.

ALLERGIES

If you know that your child has any allergies such as to bee stings or any foods, please provide an Epi Pen or the necessary kit needed for your child's allergy. (This kit requires a prescription from your Physician and cannot be purchased over the counter). Your child must be capable of using the kit themselves. Please notify the Camp Staff if your camper will be bringing an Epi Pen to camp. This must be put on the health form. Campers with asthma that require an inhaler must have this indicated on their health form. The inhaler will always be kept with your child's camp counselor while your child is at camp. Please remind your child that their inhaler is only to be used by them and it is not safe to let someone else use it.

TERMINATION OF SERVICES

1. Disruptive behavior of a child, parent, or guardian may lead to removal of the child from the program.
2. A child's continuous enrollment is conditional on current payment, and the parent and child's adherence to all the policies and procedures of the Camp.

SWIMMING

A completed swimming permission slip is required for children to swim during the Y Summer Day Camp Program. Your child will also be required to take a swim test at the beginning of the week to determine whether your child is restricted to certain swimming areas or permitted in the entire pool. Swim tests are given once a week by a certified lifeguard. Your child may retake the test the following week if he/she did not pass. If your child does not pass, he or she will have the opportunity to take a swim lesson with one of our trained camp counselors. This lesson will be a substitute for a different activity.

Any questions, please contact the Y at 724-545-9622.
